NO. 1:06-CR-149

**ORDER OVERRULING OBJECTIONS AND ADOPTING
MAGISTRATE JUDGE'S REPORT AND RECOMMENDATIONS**

Defendant Louis Walters moves to suppress incriminating evidence obtained during a search of his residence.

The court referred this matter to the Honorable Earl S. Hines, United States magistrate judge, at Beaumont, Texas, for consideration pursuant to applicable laws and orders of this court. Judge Hines concluded that there was no unreasonable search or seizure, and therefore recommended that the motion to suppress be denied..

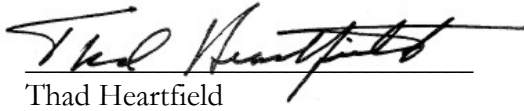

Defendant objects to the magistrate judge's findings, conclusions, and analysis. This requires a *de novo* determination of those portions of the report or specified proposed findings or recommendations to which objection is made. 28 U.S.C. § 636(b)(1)(C).

After conducting such review, the court concludes that the magistrate judge's findings, conclusions and analysis are correct. Defendant raises no significant new arguments that the magistrate judge did not carefully consider and correctly evaluate in his report and recommendation.

Accordingly, defendant's objections are **OVERRULED**, and the report of the magistrate judge is **ADOPTED**. It is further

ORDERED that defendant's motion to suppress (Docket No. 28) is **DENIED**.

SIGNED this the **1** day of **November, 2007**.
